

Lenovo ThinkPad X13 Yoga GEN 2 *i*

The ideal work-from-anywhere productivity machine, the refreshed ThinkPad X13 Yoga Gen 2 *i* delivers portability without sacrificing performance. Based on the Intel® Evo™ vPro® platform and powered by 11th Gen Intel® Core™ vPro® processors with Intel® Iris® X^e graphics, the ThinkPad X13 Yoga Gen 2 *i* is built to deliver improved speed and intelligence¹ while maintaining outstanding battery life². This next-level multi-mode lets you confidently conquer your day your way.

The 16:10 infinity screen with four-side narrow display creates a vivid visual experience, while the Dolby® Audio Speaker System produces rich sound. Plus, WiFi 6 enables fast and steady connections even on crowded public platforms, and you can choose the optional LTE card with eSIM capability to provide connection wherever there's cellular coverage. And robust ThinkShield security features ensure your data stays safe wherever you roam.

Lenovo

¹Source: Intel. As measured by industry benchmark and Representative Usage Guides testing and unique features of 11th Gen Intel® Core™ i7 processors that power designs, which are co-engineered as part of Intel's comprehensive laptop innovation program Project Athena then tested, measured, and verified against a premium specification and key experience indicators to ensure unparalleled user experiences. For more complete information about performance and benchmark results, visit www.intel.com/Evo.

²Battery life will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors.

Lenovo ThinkPad X13 Yoga Gen 2 *i*

READY TO GO

The ThinkPad X13 Yoga Gen 2 *i* includes features like Modern Standby, which enable the machine to wake in one second and connect to the internet one second later, and all-day battery life¹ with the low power touchscreen display option—so it's always ready to work, whenever and wherever you go.

GET CONNECTED

Thanks to its WiFi 6, available 4G LTE with eSIM, and dual Thunderbolt™ 4 ports, the ThinkPad X13 Yoga Gen 2 *i* makes it easy to stay connected to the people and content that matter to you. Whether it's accessing your company's servers or streaming your favorite series, you can work and play without interruption regardless of where the day takes you.

NICE FLEX

The ThinkPad X13 Yoga Gen 2 *i* is the go-to device for on-the-go multitasking. It offers the much-loved flexibility of a laptop that quickly converts to a tent or tablet, allowing you to go from presentations to notetaking to emailing and more. An integrated pen adds even more options for precision and interactivity through sketching, writing, and making document edits.

EASY ON THE EYES

Among its many display options, the ThinkPad X13 Yoga Gen 2 *i* offers a bright, 500nit FHD touch anti-glare PrivacyGuard screen, which helps you see more with less strain while also stopping data thieves in their tracks.

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 10 hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.

Lenovo

flexibility

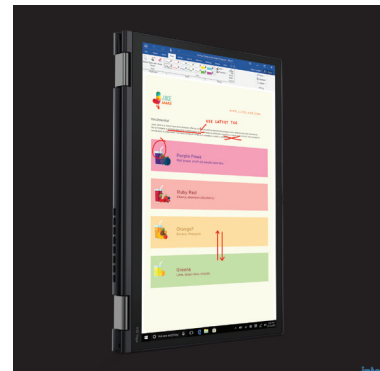

The ThinkPad X13 Yoga Gen 2 *i* accommodates any working style—in style—with its 360-hinge that easily transitions between laptop, tablet, tent, and stand modes.

mobility

The ThinkPad X13 Yoga Gen 2 *i* helps you stay connected on-the-go with WiFi 6E and available 4G LTE with eSIM.

security

Enhanced integrated ThinkShield features, including the Power-on Touch Fingerprint Reader and PrivacyGuard screen, keep your data secure. Plus, Intel® Hardware Shield, available exclusively on all Intel vPro® platform-based devices, delivers integrated hardware-based PC protection for more secure business productivity.

optional services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{3,4}

ACCIDENTAL DAMAGE PROTECTION (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{3,4}

WARRANTY EXTENSION

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.³

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.^{3,4}

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 16.5 hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.
